Re: STB Docket No. AB-1066 (Sub-No. 2X), Central Illinois Railroad Company – Discontinuance Of Service Exemption – In Cook County, IL

Dear Ms. Brown:

By decision served November 16, 2010, in the above-referenced proceeding, the Surface Transportation Board ("Board") exempted from the prior approval requirements of 49 U.S.C. § 10903 the discontinuance of service by Central Illinois Railroad Company ("CIRY") over approximately 18.5 miles of rail lines owned by BNSF Railway Company ("BNSF") in Chicago, IL (the "Lines").

In granting the exemption, the Board directed CIRY to serve a copy of the Board's decision on all shippers on the Lines and on BNSF so that they receive a copy within 5 days of the service date of the decision and to certify compliance to the Board. Shortly after the service of the Board's decision BNSF attempted to contact the owner of CIRY to alert him to the Board's directive and to ensure compliance by CIRY. To date, BNSF has been unable to make contact with anyone at CIRY.

As the owner and operator of the Lines, BNSF has a strong interest in ensuring that CIRY's discontinuance becomes effective on December 16, 2010. Consequently, BNSF had a copy of the Board's decision served by overnight delivery on all shippers on the Lines and is hereby certifying compliance to the Board. Attached please find copies of the transmittal letters.
